Welcome from the President

Dear Friend,

This year marks a very special moment in the life of Sacred Heart University: we are celebrating 40 years of educational excellence. On September 11, 1963, Sacred Heart University opened its doors for the first time to 173 students. Unique in U.S. history, Sacred Heart University was started with lay people leading the University.

Four decades later, the University continues to be a pioneer and a leader. Today, more than 6,000 students choose Sacred Heart University as the place to pursue their higher education. This Undergraduate Catalog contains information on hundreds of programs and courses. As you explore these options, I invite you to speak with students and faculty members, as well as our alumni, about your goals and ambitions. Together, we can work to make them a reality.

Thank you for choosing Sacred Heart University. On behalf of our entire University community, I welcome you and wish you every success.

With every best wish, I am
