Withdrawal/Refunds

Withdrawals from courses must be made in person through the Office of the Registrar. Official withdrawal is necessary to assure the proper entry of grades on the transcript and the determination of any refund, if applicable. Refunds, which are issued by Student Accounts, are based on the full tuition charges. Failure to withdraw properly will result in the issuance of a withdrawal/failure (WF) grade. Those who improperly withdraw will be charged full tuition.

Federal regulations require that veterans follow the University's withdrawal procedure or be liable for repayment of any benefits received. All refunds will be based on the refund schedule and determined by the date of notification to the Registrar's Office, not the date of the last class attended.

Tuition refunds are based on the full tuition charge:

100%	Before the first class
80%	Before the second class
60%	Before the third class
40%	Before the fourth class
20%	Before the fifth class
0%	After the fifth class

Registration and lab fees are nonrefundable unless the course is canceled.

Refunds can take four to six weeks to process. After withdrawing, students must contact Student Accounts at 203-371-7925 to receive a refund.

Refunds are only given to students who have no outstanding balances.

Refund Allocation Policy for Federal Financial Aid Funds

Withdrawing from all courses is considered withdrawing from the University. If you do this before 60% of the semester is completed (approximately 8–9 weeks into the semester), your financial aid award will be recalculated, according to the percentage of the semester you have completed. The formula for calculating this percentage is:

$$\frac{(\text{Days enrolled}) - (\text{Official breaks of five days or longer})}{\text{Total number of class days in the semester}}$$

Returning Aid

If have been awarded Title IV (federal) or state aid and you withdraw before completing 60% of the semester, some portion of your financial aid must be returned. The above formula determines what portion of the aid must be returned and the list below indicates the order in which the aid is returned.

Refunds to Federal Title IV programs are made in this order:

1. Federal Unsubsidized Stafford Loan
2. Federal Subsidized Stafford Loan
3. Federal Loan
4. Federal Graduate Plus Loan
5. Federal Plus Grant
6. Federal Pell Grant
7. Academic Competitiveness Grant
8. National Smart Grant
9. Federal Supplemental Educational Opportunity Grant
10. Other federal sources of aid
11. Other state, private, or institutional aid
12. The student

Refund examples are available in the Student Financial Assistance Office. It is important to discuss withdrawal and refund as it pertains to the

individual student, and its implications for federal student loan repayment and future eligibility for financial assistance.

Financial Assistance

Qualified graduate students may be able to obtain financial assistance through a variety of programs. For further information on any of the programs listed below, contact the Office of Student Financial Assistance at 203-371-7980, or the sponsoring department.

Federal Stafford Loans

Graduate students who have been fully matriculated into the University may be eligible to receive a federal Stafford Loan. This program is administered by the Office of Student Financial Assistance and each loan applicant is required to file a Free Application for Federal Student Aid (FAFSA) form with the Department of Education. Once a FAFSA form is processed and the information has been received by the University, the Office of Student Financial Assistance will assist the student in completing a loan application. Full-time students may borrow a maximum of \$20,500 per year from the Stafford program, both subsidized and unsubsidized. Payment begins six months after graduation, withdrawal, or change to less than half-time status. The student has 10 years to repay the loan.

Graduate PLUS Loan

Graduate PLUS Loans are available to credit-worthy, U.S. citizens or eligible noncitizens. To process a loan, you must submit the Free Application for Federal Student Aid (FAFSA) and apply for a Stafford loan. The amount you are eligible to borrow is determined by the total cost of your educational program less the amount you receive from the Stafford loan and other financial aid.

TEACH Grant

The TEACH Grant Program is a nonneed-based federal program that provides up to \$4,000 per

year to students enrolled in an eligible program and who agree to teach as a high-qualified teacher in a high-need field, at a low-income elementary or secondary school for at least four years within eight years of completing the program for which the TEACH grant was awarded. If the grant recipient fails to complete the required teaching service, the TEACH grant is converted to a Federal Direct Unsubsidized Loan with interest accruing from the date the grant was disbursed.

Graduate Research Assistantships

A limited number of graduate research assistantships are available. Assistantships usually carry some tuition remission as they assist faculty with research projects. Students should contact the department directly concerning availability and eligibility requirements.

Graduate Staff Assistantships

A limited number of graduate staff assistantships are made available to graduate students who are fully matriculated and attend school on a full-time basis. Staff assistantships are chosen by the sponsoring administrative department and often pay a stipend as well as some tuition remission. More information may be obtained from the Office of Student Financial Assistance at 203-371-7980.

Residence Hall Directors

Several residence hall director positions are available through the Office of Residential Life and Housing Services. These are live-in positions and are usually filled by those who are interested in pursuing a career in student services. Residence hall directors are fully matriculated graduate students who attend school on a part-time basis while fulfilling their job responsibilities for the Office of Residential Life. Criteria are very selective and hiring decisions are made in the spring for the subsequent Fall term. For further information on this program, contact the Office of Residential Life and Housing Services at 203-416-3417.

VA Eligibility Programs

Veterans and possibly their dependents are eligible for educational benefits in accordance with Title 38, Chapters 30–35 of the United States and Title 10 USC Chapter 106. Interested veterans should contact the Registrar's Office, Monday through Thursday, 8:30am to 4pm and Friday from 8:30am to 1pm.
