	17		16	
<u>Year 4; Fall</u> ³		<u>Year 4; Spring</u>		
Physical Therapy ⁴	17	Physical Therapy ⁴	16	

¹Any one of these 3 two-semester science sequences (Chemistry, Physics, or Anatomy & Physiology) prerequisite to the DPT program can be taken during the summer after Freshman or Sophomore year, with the remaining 2 sequences taken during regular academic semesters.

²Any course in this sequence

³DPT Program matriculation requires successful completion of all program prerequisites and application requirements.

⁴PT 611/621 in the Fall and PT 612/622 in the Spring will fulfill the remaining Psychology requirements, including the Human and Animal Learning (PS 335) requirement and the internship (PS 396) requirement. These credits and grades for PT course work will be applied to your undergraduate degree in Psychology.
