Refund Allocation Policy for Federal Financial Aid Funds
Withdrawing from all courses is considered withdrawing from the University. If you do this before 60% of the semester is completed (approximately 8–9 weeks into the semester), your financial aid award will be recalculated, according to the percentage
of the semester you have completed. The formula for calculating this percentage is:

\[
\text{Percentage of Time Completed} = \frac{(\text{Days enrolled}) - (\text{Official breaks of five days or longer})}{\text{Total number of class days in the semester}}
\]

**RETURNING AID**

If you have been awarded Title IV (federal) or state aid and you withdraw before completing 60% of the semester, some portion of your financial aid must be returned. The above formula determines what portion of the aid must be returned and the list below indicates the order in which the aid is returned.

Refunds to Federal Title IV programs are made in this order:

- Federal Unsubsidized Stafford Loan
- Federal Subsidized Stafford Loan
- Federal Perkins Loan
- Federal Graduate PLUS Loan
- Federal Parent Loan for Undergraduate Students PLUS
- Federal Pell Grant
- Federal Supplemental Educational Opportunity Grant (SEOG)
- Other federal sources of aid
- Other state, private, or institutional aid

Refund examples are available in the Office of Student Financial Assistance. It is important to discuss withdrawal and refund as it pertains to the individual student, and its implications for federal student loan repayment and future eligibility for financial assistance.

**STUDENT FINANCIAL ASSISTANCE**

The University is committed to helping students plan financially for their college education. The Office of Student Financial Assistance advises students in their effort to locate appropriate financial resources.

Financial assistance is generated from a variety of sources including federal, state, university and other private or local resources. These sources provide grants, loans, scholarships and part-time employment to assist students with the cost of their education.

Students who need assistance in formulating a financial plan for college should contact the Office of Student Financial Assistance at 203-371-7980. Confidential appointments can be arranged to discuss personal financial situations and all possible avenues of financial assistance.

**FAMILY DISCOUNT PLAN**

The Family Discount Plan offers a reduction in undergraduate tuition costs when two or more individuals from the same family are enrolled as full-time undergraduates at the University. Each full-time undergraduate student must take at least 12 undergraduate credits during the period of the award.

Family discount forms can be obtained from the Office of Student Financial Assistance prior to registration, or go to the Financial Assistance webpage www.sacredheart.edu

**ELIGIBILITY**

Undergraduate students are eligible for financial assistance provided they are citizens or permanent residents of the United States and are enrolled in the University on at least a half-time basis working toward a degree.

In addition, students must maintain satisfactory academic progress and be in good standing in their course of study.

For purposes of determining student eligibility for financial assistance under Title IV, HEA programs, the University establishes, publishes and applies Satisfactory Academic Progress (SAP) standards that meet all federal requirements. To be eligible to receive federal financial aid, a student is required to maintain satisfactory academic progress in his or her course of study according to
the University’ s published standards. SAP standards are based on cumulative measures of a student’s progress toward degree completion. The Office of Student Financial Assistance is responsible for ensuring that all students who receive financial aid meet these standards. To be eligible to receive institutional funds, a student is also required to maintain satisfactory academic progress toward degree completion.

For more information and the complete policy please visit www.sacredheart.edu/SAP

Students in default on any loan made from a student loan fund at any university or in default on a loan made, insured or guaranteed under the Federal Direct, Perkins or Stafford Loan or Federal PLUS Program are not eligible for assistance.

If the grant recipient fails to complete the required teaching service, the TEACH Grant is converted to a Federal Direct Unsubsidized Loan with interest accruing from the date the grant was disbursed.

GI Bill/Yellow Ribbon Program

The Yellow Ribbon GI Education Enhancement Program (Yellow Ribbon Program) is a provision of the Post-9/11 Veterans Educational Assistance Act of 2008. This program allows institutions of higher learning (degree granting institutions) in the United States to voluntarily enter into an agreement with VA to fund tuition expenses that exceed the highest public in-state undergraduate tuition rate. Sacred Heart University will contribute up to the remainder of the tuition and expenses not covered by the national maximum of $20,235.05 that is provided by the VA. Only individuals entitled to the maximum benefit rate (based on service requirements) may receive this funding. Therefore, they may be eligible if they served an aggregate period of active duty after September 10, 2001, of at least 36 months; they were honorably discharged from active duty for a service connected disability and they served 30 continuous days after September 10, 2001; they are a dependent eligible for Transfer of Entitlement under the Post-9/11 GI Bill based on a veteran’s service under the eligibility criteria listed above. For additional information please visit www.sacredheart.edu/pages/27541_yellow_ribbon_program.cfm.

Federal Direct Stafford Loan (Subsidized and Unsubsidized)

The Subsidized Stafford Loan is available to students who demonstrate financial need. The government pays the interest on the loan while the student is in school.

The Unsubsidized Stafford Loan is available to students regardless of financial need (i.e., regardless of family income). Students are responsible for interest payments on the loan while attending college, or they may choose to have the interest capitalized.

Students start repayment of the loan(s) (plus interest) six months after they graduate, withdraw or change to less than half-time status. Repayment of principal and interest is spread over a 10-year period. Undergraduate freshmen may borrow up to $3,500 per year; sophomores, up to $4,500 per year; and juniors and seniors, up to $5,500 per year.

Additional Unsubsidized Stafford Loan limits to undergraduate students increased by
$2,000 for loans disbursed on or after July 1, 2008. Independent undergraduate students and dependent students whose parents cannot borrow a PLUS Loan can receive an additional $4,000 for their freshman and sophomore and $5,000 for their junior and senior years.

Federal Direct Parent Loan for Undergraduate Students (PLUS)
PLUS is a loan for parents with good credit histories who have dependent students in school. The federal government requests that a student complete a FAFSA before the parent can receive a Direct PLUS Loan.

The yearly loan limit is the cost of education minus financial assistance. Parents begin making payments 30 to 60 days after they receive the loan and must make payments of at least $50 per month. Parents also may take up to 10 years to pay back the loan.

To provide further access to families as they invest in a Sacred Heart University education, a variety of university financial assistance programs have been designed which recognize students’ academic and extracurricular achievements as well as the financial needs of our families.

Merit Scholarship Programs
All new students are considered for merit scholarships as part of the admission application review process (a separate scholarship application is not required). Merit scholarships are awarded by the Scholarship Review Committee and are based on the review of each student’s high school transcript, class rank, extracurricular achievements and financial aid. Course selection and overall grade point average are weighed heavily in the review process. Sacred Heart University’s Test-Optional Admissions Policy does apply to the review for merit scholarships. However, if candidates feel their test scores provide further evidence of academic ability and potential, or to be considered for the honors program, they may wish to submit them to the Office of Undergraduate Admission. Merit scholarships are renewable for four years (eight semesters) of undergraduate study provided the student is enrolled full time each semester and maintains satisfactory academic progress and / or the cumulative GPA established for each program. Merit scholarships are only awarded at the time of admission, and there should be no expectation that the amount will increase in subsequent years. Scholarships are limited and offered on a first-come, first-served basis; we recommended that students complete their applications for admission by February 1 in order to receive the maximum possible scholarship.
The merit scholarship categories include the following: President’s Excellence Award, Trustee Scholarship, College Scholarship and Conley Award ranging from $5,000 to $15,500.

Students who are accepted into the Honors Program are eligible to receive an additional Thomas More Honors Scholarship of $2,000.

Note: Scholarship programs, criteria and amounts are subject to change.
