CELEBRATE MASS AT OUR CHAPEL AND HEAR  
TUNES ON OUR HAND-CRAFTED PIPE ORGAN

## 53,000

**SERVICE HOURS**

WERE VOLUNTEERED IN THE COMMUNITY BY SHU STUDENTS,  
FACULTY AND STAFF.

# Faith & Service

Did you know that the following Campus Ministry & Volunteer Programs are available on our campus?

#### DAILY MASS

Whatever your faith, we hope you'll worship with us! Our Main Chapel and the Chapel of the Nativity are open daily for personal meditation and regularly scheduled services.

#### FAITH SHARING COMMUNITIES

In faith sharing, there are no wrong or right answers and there are no experts. Come read, reflect, share and pray together.

#### SUNDAY LITURGIES

Join the entire SHU community to celebrate special Sunday Masses at 12:30 PM and 7 PM. Contact our student Liturgical Leaders to serve as ministers for our liturgies.

#### PRAISE & WORSHIP BANDS

Praise bands come to campus several times a semester to offer nights of worship through music and accompany our choirs during Mass.

#### BREADS AND SPREADS

Come and share "breads and spreads" and meet new people while discussing the exciting topics of religion, faith and society.

#### KNIT WITS

What better way to comfort others than with cozy handmade items? The Knit Wits make hats, scarves and mittens for for community members in need.

#### RETREATS

Need a peaceful time to reflect? Our Campus Ministry leadership teams sponsor retreats with different themes all year round.

#### COR TEAM/PEER MINISTRY

The Campus Ministry COR team is a peer ministry group dedicated to mentoring other students and participation in outreach programs.

#### COMMUNITY CONNECTIONS/ CURTIS WEEK

The Curtis Week immersion program introduces all students to different service opportunities. If you're a freshman interested in making a difference, Community Connections is the way to start.

#### MISSION TRIPS AROUND THE WORLD

From Mississippi to El Salvador, our student delegations volunteer with communities or build homes for those in need.

#### HUNGER AWARENESS PROGRAMS

SHU students serve food—and comfort—by volunteering time in soup kitchens and community suppers.

#### MENTOR OPPORTUNITIES

Join 1 of our 12 mentoring programs and impact the lives of local students ranging from elementary to 8th grade.
