Blocks

This chord progression can be used in several different ways. Below are some variations to practice using the above exercise. Be creative and think of other ways to use these chords.

- Double Vertical - play block chords with all 4 mallets
- Double Laterals 8ths - play mallets 1&3 for 1st 8th note, then play mallets 2&4 for 2nd 8th note
- Double Lateral 16ths - play 16th notes with a 1-2-3-4 (or other) permutation
- Triple Laterals - play 16th note triplets 1-2-3-4-3-2
- 2 Against 3 - play triplets on one hand and 8th notes on the other hand
