Final grading screen –

Enter grades and last date of attendance for any I grade.
Enter grades and last date of attendance or Never Attended for any F grade.

If you try to submit your grades without the additional required information, you will receive error message(s) on top of the screen.
Once you successfully submitted your grades with all the necessary information you will receive a grade confirmation.

If you entered an incorrect grade you can immediately go back and make the correction. The next confirmation will only show the updated grades. If you wait and the grades were already transcripted, you must use the Request A Change of Grade link.
