Nursing Completion Program

The RN to BSN Nursing Program at Sacred Heart University is fully accredited by the Commission on Collegiate Nursing Education.

The Registered Nurse to Bachelor of Science in Nursing program provides registered nurses who have graduated from accredited associate's degree or diploma programs educational mobility in a baccalaureate program.

All courses are taught online and run in modules rather than semesters; each module is 8 weeks long. There are 6 such sessions per year. The following Nursing courses are taught M1, M3, and M5: NU 305, NU 315, NU 325, NU 355, and NU 376. The following nursing courses are taught M2, M4, and M6: NU 325, NU 335, NU 345, NU 382, NU 386/387.

To receive a BS degree in Nursing, the RN must complete 120 credit hours of study with a 2.8 GPA.

The State of Connecticut RN to BSN Articulation Program allows 30 to 36 credits for lower division undergraduate nursing coursework to be transferred to the RN to BSN program. Most other students will, pending review of required materials, be awarded 30 credits for their Associates or Diploma in Nursing.

This program is designed to meet the scheduling needs of part-time students.

If you are interested in applying to this program you should call 877-791-7181 to discuss the admissions process.

For additional information please check out our SHU Online website: www.sacredheartonline.com. You may also apply online. Once accepted, you will be provided a nursing academic advisor, who will plan out your coursework in proper sequence, and review policies of progress.
