Graduate Admission

Students are admitted into graduate study at Sacred Heart University using a portfolio approach. This allows the University to review an application using a variety of factors such as prior work experience and other nonacademic activities that may be relevant to the student's planned area of study.

In addition to the admission requirements specified by each graduate program, all applicants must have a bachelor’s degree or equivalent from a higher education institution accredited by a regional association of colleges and schools recognized by the U.S. Secretary of Education and recognized as accredited by the Connecticut State Department of Education or a Connecticut higher education institution accredited by the Connecticut Board of Governors of Higher Education. Applicants are expected to have a cumulative undergraduate grade point average (GPA) of 3.0 (on a 4.0 scale) or higher. Applicants with an undergraduate cumulative GPA below 3.0 may be provisionally accepted to certain programs if they demonstrate those qualities needed to succeed in the University's graduate programs. Certain programs may require above a 3.0 cumulative GPA and have additional requirements of a Prerequisite GPA or an interview. Individual requirements are listed online for each program, or you can contact the Office of Graduate Admissions.

Application Process

Applications and all supporting materials (test scores, letters of recommendation, writing samples, transcripts, etc.) should be sent directly to the Office of Graduate Admissions. Certain professional graduate programs will utilize a CAS application managed by Liaison International. These common national applications are often sponsored by the accrediting agency. Please refer to the specific program application page or contact an admissions counselor. For a listing of specific programs. If a CAS application is used, then all supporting materials will be sent to Liaison International for processing. Once compiled, completed and verified applications will be sent to the Office of Graduate Admissions. Students are responsible for the submission of all application materials. Once an application is received, the Office of Graduate Admissions will generate a file for the candidate. When a file is complete and verified by the Office of Graduate Admissions, it will be delivered to the program office for consideration. Candidates will be notified as soon as possible concerning any decision regarding their application. Submission of some materials, such as transcripts and test scores, may take several weeks to arrive. Early submission of these materials is advised.
