We are here to keep you safe...

1. When in doubt, call Public Safety or 911 if you’re off campus.
2. If you see something, say something.
3. Get off phones and be aware of surroundings.
4. Carry emergency cash in case you need a taxi.
5. If you wouldn’t share info with a stranger, you shouldn’t share it online. “Take control of your online life.”
6. Make sure to have SHU’s public safety number in your phone in case of an emergency, (203)-371-7911.

When Venturing off Campus...

1. Make sure your friends know where you are at all times and never wander off without a friend or buddy with you.
2. Never accept a ride from a stranger or someone that you are not 100% familiar with. You should always know the person well enough to get in a car with them.
3. Trust your instincts.

Who are we? We are students like you. We eat. We sleep (sometimes). We study. We have a good time. We’ve also got the facts about drinking, dealing with stress, sexual health, and bystander intervention on campus.
