There’s an App for That!

**Spring**

Spring is a rhythm based music service and exercise tracker. It helps you run, walk, or bike to the rhythm of the songs you love!

Did you know...

A girl is **4 times more likely** to contract an STD than she is to get pregnant.

People from age 15-24 account for **50% of all STDs** although we are only **25% of the sexually experienced population**.

1 in 4 **college students** have an STD

1 in 6 **people** living with HIV are **unaware** of their infection

80% of people experience no **noticeable symptoms**

Women under age 25 are **more biologically susceptible** to STDs than older women.

Less than half of adults age **18-44** have been tested for an STD other than HIV or AIDS....help change the statistics

Are you positive that you’re negative?

Free and Confidential STD SCREENING

Tuesday, April 1st 10:15 am-2 pm
Pitt Center Board Room

Sponsored by CT Department of Public Health, The Wellness Center & s.w.e.e.t. peer educators

Who are we? We are students like you. We eat. We sleep (sometimes). We study. We spend too much time on Twitter and Facebook. We have a good time. We’ve also got the facts about drinking, dealing with stress, sexual health, nutrition and exercise, and tobacco use on campus.
