## Certification of Guided Clinical Observation Hours

I certify that \_\_\_\_\_ has completed \_\_\_\_\_ hours of guided clinical observations in speech language pathology and/or audiology services as part of the undergraduate program or other prerequisite coursework. Hours that the student has earned align with the 2020 American Speech-Language and Hearing Association (ASHA) Certification Standards for guided observations. Activities include the following: *(check all that apply)*

- ☐ Debriefing of a video recording with a clinical educator who holds the CCC-SLP/A
- ☐ Discussion of therapy or evaluation procedures that had been observed
- ☐ Debriefings of observations that meet course requirements
- ☐ Written records of the observations (e.g., reflections, Q & A, etc.)
- ☐ Other \_\_\_\_\_

Individual forms and supervisor signatures for each guided clinical observation are on file at the university or are attached. I have personally verified that each clinical educator held current Certificate of Clinical Competence (CCC) from ASHA at the time of the student's observation.
