SUGGESTED SEQUENCING FOR GLOBAL HEALTH CONCENTRATION

The BSHS Global Health Concentration is an undergraduate major for students who are interested in applying to a graduate health education program or considering a career in global health. The BSHS major will prepare students with a solid foundation in both the liberal arts and core content germane to health professions. Individualized advisement will assist students with developing a plan of study that meets pre-requisite requirements for the specific graduate program and advisement regarding GPA requirements for admission to graduate programs or an entry level position in global health.
