## (Already completed an associates degree or transferred in more than 60 credits)

The Part-time BSHS Completion Option Track is an undergraduate major for part-time students who are interested in completing a bachelor of science degree. The BSHS major will prepare students with a solid foundation in core content germane to health professions. Individualized advisement will assist students with developing a plan of study that meets pre-requisite requirements for specific graduate programs and advisement regarding GPA requirements for admission to particular programs, if desired.
