A photograph taken from the passenger side of a car at night. A man is in the driver's seat, looking down at a smartphone held in his left hand while his right hand rests on the steering wheel. The car's interior is dimly lit, with the dashboard and instrument cluster visible. The speedometer shows a reading around 100-120. The radio display shows 'FM 1 50.1 98.7'. Outside the windshield, the blurred lights of a city street at night are visible. The text 'Don't Text and Drive' is overlaid in white on the left side of the image.
